Welcome Address

Dear Colleagues:

On behalf of the organizing committee of the Korean Continence Society (KCS), the Taiwanese Continence Society (TCS), the Chinese Continence Society (CUCS), and the Japanese Continence Society (JCS), I am pleased to invite you to attend the 10th Pan-Pacific Continence Society (PPCS) Meeting which will be held in Sapporo, Japan on September 7-8, 2015. In this year, the 22nd Annual Meeting of the Japanese Continence Society will also be held in Sapporo (September 9-11, 2015), just after the 10th PPCS Meeting.

PPCS is an extremely important meeting providing an opportunity to discuss the update on lower urinary tract dysfunction and foster closer friendship among the members from Korea, Taiwan, China and Japan. I am going to prepare interesting scientific programs for the meeting in cooperation with the organizing committee of the PPCS, Professor Osamu Yokoyama, President of the JCS, and Professor Momokazu Gotoh, General Secretary of the JCS. Attendees to the meeting will enjoy a congress party (September 8) held at Sapporo Beer Garden which serves good beer and lamb meal.

I hope many members will visit Sapporo to attend the meeting. The weather in September is very nice and comfortable in Sapporo. I look forward to seeing you in the 10th PPCS Meeting in Sapporo.
